Outdoor panel

MB-06/08/10/12/14/16CRHD

Slinex MB series is a multi apartment outdoor panels with an ultramodern design. Panels has a lot of advantages, among them: a 2MP color camera, built-in EM-Marine card reader, mechanical IR-cut filter, nameplates backlight. This series of panels has no equivalents on the modern market in terms of its functionality and external parameters.

CAMERA RESOLUTION 2MP

TYPE OF SIGNAL AHD-H (1080p)

NIGHT BACKLIGHT IR LED, up to 1.5 m

SENSOR TYPE 1/3" CMOS

VIEWING ANGLE 140°

MIN. ILLUMINATION 0,01 Lux

BODY STRUCTURE Metal alloy

PROTECTION CLASS IP65

DIMENSIONS 130×253×55 mm (MB-06/08)

130×376×55 mm (MB-10/12/14/16)

POWER 12 V from ext. power supply

CONSUMPTION Up to 12 W

LOCK TYPE Mechanical or magnetic,

up to 2 A current

CALL BUTTON Mechanical

INSTALLATION TYPE Flush mount

COLORS Grey (aluminum).

TEMPERATURE RANGE -40 ... +50 °C

ADDITIONAL FUNCTIONS Mechanical IR-cut filter

ACCESS CONTROL EM-Marin ID cards (1000 pcs.)

Unique features

Operating temperature -40 - +50 °C

Viewing angle 140°
